NOVUM INTERNATIONAL WEEK means 4 Universities - 4 Towns - 4 Campuses

Esslingen University, Nürtingen University, Reutlingen University and Stuttgart University of Applied Sciences concertedly offer an International Staff Week to partners and guests. We would like to show the excellence in technologies, the diversity in fields of research and the level of innovation in teaching and learning represented by leading universities in the state of Baden-Württemberg.

Language

The NOVUM International Week will be held in English.

Fees

We don't charge any fee. Travel and accommodation costs will be covered by the participants (or by an ERASMUS scholarship if applicable). NOVUM will cover the costs for:

- Tickets for Public Transport on Tuesday, Wednesday and Thursday
- Lunch on 22nd, 23rd, 24th and 25th Oct
- Study trip on 26th Oct (travel costs and entry fees)

Accommodation

We highly recommend to reserve accommodation not too late as hotels in our region are often fully booked. For your comfort you should choose a hotel close to a railway station in Stuttgart or Esslingen. You need only one hotel because all universities are readily accessible.
